Sir:

On August 7, 2009, the undersigned attorney contacted Examiner LaClair to inquire about the entry of the after-final amendment. The Examiner indicated that the amendment would be entered and was sufficient to overcome the rejection under 35 U.S.C. § 112, second paragraph, but did not place the application in condition for allowance. The Examiner also noted her position that further amendments would likely be needed to place the application in condition for allowance.

The Examiner's Interview Summary accurately reflects the content of the discussion.

Should the Examiner have any questions, the Examiner is invited to contact the undersigned at the below-listed telephone number.

Respectfully submitted,
Mitsuhiro HORIO et al.
